DEPOSITS OF CERTAIN PUBLIC FUNDS

Sec. 2257.101. DEFINITION. In this subchapter, "participating institution" means a financial institution that holds one or more deposits of public funds and that participates in the pooled collateral program under this subchapter.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Sec. 2257.102. POOLED COLLATERAL PROGRAM. (a) As an alternative to collateralization under Subchapter B, the comptroller by rule shall establish a program for centralized pooled collateralization of deposits of public funds and for monitoring collateral maintained by participating institutions. The rules must provide that deposits of public funds of a county are not eligible for collateralization under the program. The comptroller shall provide for a separate collateral pool for any single participating institution's deposits of public funds.

(b) Under the pooled collateral program, the collateral of a participating institution pledged for a public deposit may not be combined with, cross-collateralized with, aggregated with, or pledged to another participating institution's collateral pools for pledging purposes.

(c) A participating institution may pledge its pooled securities to more than one participating depositor under contract with that participating institution.

(d) The pooled collateral program must provide for:

(1) participation in the program by a participating institution and each affected public entity to be voluntary;

(2) uniform procedures for processing all collateral transactions that are subject to an approved security agreement described by Section 2257.103; and

(3) the pledging of a participating institution's collateral securities using a single custodial account instead of an account for each depositor of public funds.

Sec. 2257.103. PARTICIPATION IN POOLED COLLATERAL PROGRAM. A financial institution may participate in the pooled collateral program only if:

- (1) the institution has entered into a binding collateral security agreement with a public agency for a deposit of public funds and the agreement permits the institution's participation in the program;
- (2) the comptroller has approved the institution's participation in the program; and
- (3) the comptroller has approved or provided the collateral security agreement form used.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Sec. 2257.104. COLLATERAL REQUIRED; CUSTODIAN TRUSTEE. (a) Each participating institution shall secure its deposits of public funds with eligible securities the total value of which equals at least 102 percent of the amount of the deposits of public funds covered by a security agreement described by Section 2257.103 and deposited with the participating institution, reduced to the extent that the United States or an instrumentality of the United States insures the deposits. For purposes of determining whether collateral is sufficient to secure a deposit of public funds, Section 2257.022(b) does not apply to a deposit of public funds held by the participating institution and collateralized under this subchapter.

(b) A participating institution shall provide for the collateral securities to be held by a custodian trustee, on behalf of the participating institution, in trust for the benefit of the pooled collateral program. A custodian trustee must qualify as a custodian under Section 2257.041.

(c) The comptroller by rule shall regulate a custodian trustee under the pooled collateral program in the manner provided by Subchapter C to the extent practicable. The rules must ensure that a custodian trustee depository does not own, is not owned by, and is independent of the financial institution or institutions for which it holds the securities in

trust, except that the rules must allow the following to be a custodian trustee:

- (1) a federal reserve bank;
 - (2) a banker's bank, as defined by Section 34.105, Finance Code;
- and
- (3) a federal home loan bank.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Sec. 2257.105. MONITORING COLLATERAL. (a) Each participating institution shall file the following reports with the comptroller electronically and as prescribed by rules of the comptroller:

- (1) a daily report of the aggregate ledger balance of deposits of public agencies participating in the pooled collateral program that are held by the institution, with each public entity's funds held itemized;
- (2) a weekly summary report of the total market value of securities held by a custodian trustee on behalf of the participating institution;
- (3) a monthly report listing the collateral securities held by a custodian trustee on behalf of the participating institution, together with the value of the securities; and
- (4) as applicable, a participating institution's annual report that includes the participating institution's financial statements.

(b) The comptroller shall provide the participating institution an acknowledgment of each report received.

(c) The comptroller shall provide a daily report of the market value of the securities held in each pool.

(d) The comptroller shall post each report on the comptroller's Internet website.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Sec. 2257.106. ANNUAL ASSESSMENT. (a) Once each state fiscal year, the comptroller shall impose against each participating institution an assessment in an amount sufficient to pay the costs of administering this subchapter. The amount of an assessment must be based on factors that include the number of public entity accounts a participating institution maintains, the number of transactions a participating institution conducts, and the aggregate average weekly deposit amounts during that state fiscal

year of each participating institution's deposits of public funds collateralized under this subchapter. The comptroller by rule shall establish the formula for determining the amount of the assessments imposed under this subsection.

(b) The comptroller shall provide to each participating institution a notice of the amount of the assessment against the institution.

(c) A participating institution shall remit to the comptroller the amount assessed against it under this section not later than the 45th day after the date the institution receives the notice under Subsection (b).

Sec. 2257.107. PENALTY FOR REPORTING VIOLATION. The comptroller may impose an administrative penalty against a participating institution that does not timely file a report required by Section 2257.105.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Sec. 2257.108. NOTICE OF COLLATERAL VIOLATION; ADMINISTRATIVE PENALTY. (a) The comptroller may issue a notice to a participating institution that the institution appears to be in violation of collateral requirements under Section 2257.104 and rules of the comptroller.

(b) The comptroller may impose an administrative penalty against a participating institution that does not maintain collateral in an amount and in the manner required by Section 2257.104 and rules of the comptroller if the participating institution has not remedied the violation before the third business day after the date a notice is issued under Subsection (a).

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

Sec. 2257.110. PENALTY AMOUNT; PENALTIES NOT EXCLUSIVE. (a) The comptroller by rule shall adopt a formula for determining the amount of a penalty under this subchapter. For each violation and for each day of a continuing violation, a penalty must be at least \$100 per day and not more than \$1,000 per day. The penalty must be based on factors that include:

- (1) the aggregate average weekly deposit amounts during the state fiscal year of the institution's deposits of public funds;
- (2) the number of violations by the institution during the state fiscal year;
- (3) the number of days of a continuing violation; and
- (4) the average asset base of the institution as reported on the institution's year-end report of condition.

(b) The penalties provided by Sections 2257.107-2257.109 are in addition to those provided by Subchapter D or other law.

Sec. 2257.113. ENFORCEMENT STAYED PENDING REVIEW. Enforcement of a penalty imposed under Section 2257.107, 2257.108, or 2257.109 may be stayed during the time the order is under judicial review if the participating institution pays the penalty to the clerk of the court or files a supersedeas bond with the court in the amount of the penalty. A participating institution that cannot afford to pay the penalty or file the

bond may stay the enforcement by filing an affidavit in the manner required by the Texas Rules of Civil Procedure for a party who cannot afford to file security for costs, subject to the right of the comptroller to contest the affidavit as provided by those rules.

Added by Acts 2009, 81st Leg., R.S., Ch. 486 (S.B. 638), Sec. 1, eff. September 1, 2009.

(g) Subsection (f) does not apply to a state agency, local government, or investment pool for which an officer of the entity is assigned by law the function of investing its funds.

Text of subsec. (h) as amended by Acts 1997, 75th Leg., ch. 685, Sec. 1

(h) An officer or employee of a commission created under Chapter 391, Local Government Code, is ineligible to be an investment officer for the commission under Subsection (f) if the officer or employee is an investment officer designated under Subsection (f) for another local government.

Text of subsec. (h) as amended by Acts 1997, 75th Leg., ch. 1421, Sec. 3

(h) An officer or employee of a commission created under Chapter 391, Local Government Code, is ineligible to be designated as an investment officer under Subsection (f) for any investing entity other than for that commission.

(i) An investment officer of an entity who has a personal business relationship with a business organization offering to engage in an investment transaction with the entity shall file a statement disclosing that personal business interest. An investment officer who is related within the second degree by affinity or consanguinity, as determined under Chapter 573, to an individual seeking to sell an investment to the investment officer's entity shall file a statement disclosing that relationship. A statement required under this subsection must be filed with the Texas Ethics Commission and the governing body of the entity. For purposes of this subsection, an investment officer has a personal business relationship with a business organization if:

(1) the investment officer owns 10 percent or more of the voting stock or shares of the business organization or owns \$5,000 or more of the

fair market value of the business organization;

(2) funds received by the investment officer from the business organization exceed 10 percent of the investment officer's gross income for the previous year; or

(3) the investment officer has acquired from the business organization during the previous year investments with a book value of \$2,500 or more for the personal account of the investment officer.

(j) The governing body of an investing entity may specify in its investment policy that any investment authorized by this chapter is not suitable.

(k) A written copy of the investment policy shall be presented to any business organization offering to engage in an investment transaction with an investing entity. For purposes of this subsection and Subsection (l), "business organization" means an investment pool or investment management firm under contract with an investing entity to invest or manage the entity's investment portfolio that has accepted authority granted by the entity under the contract to exercise investment discretion in regard to the investing entity's funds. Nothing in this subsection relieves the investing entity of the responsibility for monitoring the investments made by the investing entity to determine that they are in compliance with the investment policy. The qualified representative of the business organization offering to engage in an investment transaction with an investing entity shall execute a written instrument in a form acceptable to the investing entity and the business organization substantially to the effect that the business organization has:

(1) received and reviewed the investment policy of the entity;
and

(2) acknowledged that the business organization has implemented reasonable procedures and controls in an effort to preclude investment transactions conducted between the entity and the organization that are not authorized by the entity's investment policy, except to the extent that this authorization:

(A) is dependent on an analysis of the makeup of the entity's entire portfolio;

(B) requires an interpretation of subjective investment standards; or

(C) relates to investment transactions of the entity that are not made through accounts or other contractual arrangements over which the business organization has accepted discretionary investment authority.

(l) The investment officer of an entity may not acquire or otherwise obtain any authorized investment described in the investment policy of the investing entity from a business organization that has not delivered to the entity the instrument required by Subsection (k).

(m) An investing entity other than a state agency, in conjunction with its annual financial audit, shall perform a compliance audit of management controls on investments and adherence to the entity's established investment policies.

(n) Except as provided by Subsection (o), at least once every two years a state agency shall arrange for a compliance audit of management controls on investments and adherence to the agency's established investment policies. The compliance audit shall be performed by the agency's internal auditor or by a private auditor employed in the manner provided by Section [321.020](#). Not later than January 1 of each even-numbered year a state agency shall report the results of the most recent audit performed under this subsection to the state auditor. Subject to a risk assessment and to the legislative audit committee's approval of including a review by the state auditor in the audit plan under Section [321.013](#), the state auditor may review information provided under this section. If review by the state auditor is approved by the legislative audit committee, the state auditor may, based on its review, require a state agency to also report to the state auditor other information the state auditor determines necessary to assess compliance with laws and policies applicable to state agency investments. A report under this subsection shall be prepared in a manner the state auditor prescribes.

(o) The audit requirements of Subsection (n) do not apply to assets of a state agency that are invested by the comptroller under Section [404.024](#).

Sec. 2256.006. STANDARD OF CARE. (a) Investments shall be made with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived. Investment of funds shall be governed by the following investment objectives, in order of priority:

- (1) preservation and safety of principal;
- (2) liquidity; and
- (3) yield.

(b) In determining whether an investment officer has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration:

- (1) the investment of all funds, or funds under the entity's control, over which the officer had responsibility rather than a consideration as to the prudence of a single investment; and
- (2) whether the investment decision was consistent with the written investment policy of the entity.
